Attendance Policy Statement

At Laurus Ryecroft we are committed to promoting the welfare of our students through regular school attendance. We know that every day lost to education can have a serious impact on students' attainments and overall progress in school. The link between good attendance and high levels of achievement is undeniable. Poor attendance and lateness may also be detrimental to the social adjustment and development of students.

We are therefore fully committed to promoting school attendance by providing an environment and ethos where all students feel safe and can build positive relationships with their peers.

We expect that in return parents/carers ensure that students attend school and are punctual. Underpinning this policy is the belief that promoting good attendance is the responsibility of staff, parents and carers and this must be evident in our interactions with students.

We expect students to attend school every day and arrive on time. Students should be in school at least 5 minutes before the school day is due to begin.

Aims

- To promote good attendance and punctuality.
- To deal promptly with the causes of poor attendance and lateness.
- To reward good attendance and punctuality – This will include raising the profile of good attendance through specific rewards. We intend to reward students whose attendance is 98% and above.
- To involve all staff, students, parents/carers, governors and outside agencies in promoting good attendance.
